

Armonia Apartments & Studios - Apartment 4 (sleeps 2 to 5)

This lovely apartment is found on the ground floor. It has a twin bedded bedroom, two further twin beds and a convertible bed.

As with all the apartments there is a stove, fridge, kettle, toaster, sufficient cutlery, pans, glasses, egg cups etc, a separate bathroom with shower and toilet and plenty of wardrobe space.

There is a balcony on which you can enjoy a glass of cool retsina after a hard day tanning, swimming and reading. You can then enjoy a comforting shower before strolling down to the village for a pre-dinner drink and then a well earned meal.
