

## Armonia Apartments & Studios - Studio 5 (sleeps 2 or 3)

This delightful studio is found on the ground floor. It is twin bedded and also has a convertible sofa.

As with all the apartments there is a stove, fridge, kettle, toaster, sufficient crockery, cutlery, pans, glasses, egg cups etc, a separate bathroom with shower and toilet and plenty of wardrobe space.

There is a small patio area facing an olive grove. Here you can sit in tranquil surroundings, perhaps enjoying the sound of the birds calling to each other amongst the trees. How about a bottle of Mythos, Zorbas or Amstel before embarking on the short walk to the tavernas where you may get a table along the sea.
